December 2022

AMA Charter 141

I hope everyone had a great Thanksgiving. Even with this busy time of year, I hope you all can come to our annual Christmas Dinner Party on Saturday December 10 at 5:00 pm at the San Marcos Senior Center. We will be having a great dinner catered again by Redtail Catering. The menu includes Tri Tips of beef, roast turkey with stuffing, rosemary potatoes, green bean almondine, rolls, along with desserts, coffee and drinks. We will have some year end awards and raffle prizes. You can purchase tickets for \$25 ea. on the club website or from Joe Villarreal if you're out at the field. December 7 is the last day to buy tickets. Also, Medal of Honor Nominee Royce Williams will be our special guest.

Our club auction on November 19 was a huge success. We had an amazing amount of donations large and small. Many thanks to our auctioneers George Dawe and Bill Hill for entertaining us as well as guilting our notoriously cheap bidders to dig into their deep pockets. Final tally was over \$2000.

Great job to everyone who participated!

Don't miss our final Aerotow of the year this Saturday December 3 and final Trifecta this Sunday December 4. Everyone have a Merry Christmas and Happy New Year and happy holidays from all your Club Officers and Board Members at Palomar RC Flyers.

Joe Villarreal

President PRCF

Note from your editor:

Due to a serious family issue, I was unable to visit the field until mid-November. The issue has since been successfully resolved. My first visit to the field to photograph was on Nov. 19th, the day of our club meeting and swap meet. Thus, this is the smallest issue of the Transmitter that I have published and I ask your kind understanding. Thank you. (Only 50 photos)

Treasurer's Summary for Month of November 2022

(Summarizes transactions for month of October)

Total Income: \$300.00

All Membership

Total Expenses: \$1,563.96

Big items:

\$500 Training

\$600 Field Maintenance

\$300 Membership mailings

Net income: -\$1,263.96

End of Month Balance: \$116,648.87

Membership: Ballots are arriving for the election. A new badge was proposed that utilizes a yearly sticker instead of producing a new badge for all the members each year. Similar to the stickers we use on car license plates. These stickers will reduce labor and costs of producing and printing badges every year. Board approves cost of badge stickers.

Email for Membership and Voting: Proposed to reduce the labor-intensive process to save time and money.

Safety: We continue to have members that fly over the freeway. Sightings only with no complaints. A member crashed his airplane in the apron area. Disorientation was believed the cause.

FAA: Is working to identify select club AMA fields. Our field may be used as a test field. A very involved process. George Dawe is taking the lead in this matter.

Field Search Status: The Valley Center property has stalled as one of the owners refused to sign off on the agreement. The dissenting owner will be meeting with us after Thanksgiving at the Valley Center location to discuss the issues that are stalling this deal. We hope to have our questions answered then.

Meanwhile we are not losing focus on the San Pasqual property. Lori will be taking the lead on this issue. Now that the election is over, we see a path to finding common ground with the county.
