

November 2007

Transmitter

The Newsletter of the Palomar RC Flyers

RC Web Site — www.PalomarRCFlyers.org

Parents please pass this copy of the Transmitter on to your Junior Member(s) as you see fit.

General Meeting

The minutes of the September meeting were approved as published in the Transmitter. Summer replacement treasurer Harvey Atkinson reported a balance of \$3636 in our checking and \$10269 in savings for a total of \$13905. September income was \$1159.00 and expenses were \$1131.00 for a net gain of \$28.00. The report was accepted as read. Chief instructor Darrel Albert reported we have 28 student pilots, 6 in the AMA introductory program and have awarded 6 solo certificates. Because of the switch from daylight savings time, cutting our instruction time on Monday afternoons, instruction will be shifted to the 4th Sunday of the month.

Scale chairman Ron Peterka told of the successful rebuild of his Stinson SR9 by himself and Curtis Kitteringham in time to compete in Team Scale at the Scale Masters National meet held in Hemet October 11-14. They earned 5th place in class and the model was named Best Civilian aircraft. A great showing.

Curtis reminded members that our own AMA district X V.P. Rich Hansen is running for AMA president and deserves our support. Curtis also reviewed the requirements for being named an AMA leader club, most of which we have already met, so we can rightfully claim our position as a "Top Dawg" in the AMA. President Jimmy Mazurek told us that our big Heli Fun Fly has been rescheduled to April 25-27. Jimmy and Robin reported on a situation a non-member named Justin Coe flying in an unsafe manner and trying to incite a confrontation when asked about his club membership. Watch out for this person and avoid him. We will have signs made up regarding locking the gate afternoons on the weekends.

Gary Thompson reported on his involvement in a project at Fairbanks Ranch

Golf Club to frighten ducks off the fairway using R.C. airplanes. A lot of fun, but little success. Club members may remember flying at the Del Mar field when the local birds would join up in formation with whatever plane was in the air. Some of them were pretty good too.

Bob Peterson cajoled 9 pilots to participate in a Fun Fly on Saturday, Nov 17th. If enough of us come out, maybe we can make this a regular event.

Nominations for the 2008 board members are as follows:

President; George Dawe,

Vice President; Curtis Kitteringham,

Treasurer; Joe Bulko,

Secretary; Dave Truax,

Board members;

Dennis Teason,

Darrel Albert,

David Drowns,

Butch Abongen,

Gary Thompson,

Varley Longson,

Mark Williamson,

Robin Solomon,

Bob Peterson,

Frank Battaglia.

Ballots will be counted at the Christmas dinner.

Attendance prize was an MDS .46. Wild Bill Netzeband's name was drawn, but he was not here. Door prize was a transmitter holder won by Herb Hayes. Raffle winners were Frank Battaglia (Irin.40 ARF) Larry Hufford [Air Hog heli] Sean O'Conner [Hi Tek flight pack] and Dave Truax [O.S. L.A. 46].

Executive Meeting

Meeting called to order at 7:00pm

One Board Member missing, Mario DiRusso, all other Officers present.

Varley Longson present to bring the club up to date with the gate locks.

Varley says that by this weekend we should be back to as normal as possible.

The Board has decided that in 2008 the newsletter will be posted on the web site or sent to you by e-mail only, this will save the club at least \$1200.00 over the course of a year and also make the delivery of the news letter much easier.

At this time the best that we know of is that only one member had any damage due to the fires. If you know of any others PLEASE tell us, so that help can be offered.

The Board set the Christmas Dinner Menu as follows;

Dec -15th, 2007 (Saturday)

Start time is 7:00pm at the Joslyn Senior Center (same place as the meeting)

**Cost will be \$20.00 for adults
\$5.00 for family members under 18
years of age.**

Menu

Appetizers - assorted Salad - mixed greens, tomatoes, cucumbers, carrots

Choice of Ranch or Italian dressings

Dinner :

Turkey and or Prime rib with a Dessert Selection. Baked Potato with all the fixings, Roll and Butter

Beverages - Coffee, Sodas and Water

The cost to cater this is \$1,000.00 plus the room, so please try to attend.

This is a great change to have a little fun and meet new members plus support the Club.

No cooking or dirty dishes for your wife or girl friend. That's the best part.

SEE ADD ON NEXT PAGE

Thank you to everyone for all of your hard work and dedication in making sure we operate and manage the finest R/C Club in Southern California...

FUN FLY

Saturday November 17th
10am

As I mentioned before, this is so easy that even George Dawe could do it.

Events will include: Taxi race, egg drop, loops, climb and glide and spot landing.

All will be included in each flight. Three flights if time allows.

We NEED at least eight flyers to make this happen. Let's see a good turnout.

If you prefer, we could do this as a team event.

There is no fees for the event. Also no prizes.

Just a lot of fun

Don't think about it, BE THERE

Jim Peterson

Seen at the Field

Jim Mazurek flew a new hand-built, modified design of a Sig 120 size Four Star kit. He built 2 nacells on the wings to house the twin YS-110 four-stroke engines providing massive power. Outstanding building job in his workmanship and what a site seeing it fly.

John Cutler is a great 3-D aerobatic flyer, who puts on a good show with his skills in flying a Bal-sanova 120 size kit he hand-built from Morris Hobbies. He flies a YS-120 four-stroke engine with plenty of power for his maneuvers.

AMA CHARTER #3078

Silent Electric Flyers of San Diego
17140 Tam O' Shanter Dr
Poway, CA 92064

Hello,

I would like to solicit your support for the annual Otay Lake Float Fly. This long running tradition in the San Diego county is in its 16th year and hope to have as many more.

We will be holding this 1 day event on November 18th, 2007 at the Lower Otay Reservoir and it should be a blast! We have applied for a permit from the City of San Diego Water Department and it has been approved. We have also applied for, but not received yet, our AMA Sanction #.

Your support in the form of publicizing the event to your club members and encouraging them to attend, either as pilots or spectators, will be greatly appreciated. I am enclosing a copy of the flyer for posting at your field site and a write-up with pictures for your newsletter.

If you have any questions about the Float Fly, please don't hesitate to call me at 619-429-9042 or e-mail me at: stelioj@cox.net

You may also visit <http://www.OtayLakeFloatFly.org> for additional info on the event.

Thank you for your support,

Stilianos Jackson (AMA 699887), Event Coordinator
