Parents please pass this copy of the Transmitter on to your Junior Member(s) as you see fit.

## Meeting Minutes

General Meeting Oct. 20th

Jim Cole led off by reminding the meeting of the combat event to be held on Saturday Oct 22<sup>nd</sup>. Open class "B" is to be run.

Harvey Atkins has put together a more refined guesstimate of our 2006 budget. It will be published in the November issue of the Transmitter.

David Truax mentioned the Dec 17<sup>th</sup> Holiday Banquet. Tickets are \$20.00 for adults and \$5.00 for junior members 18 and under.

Gary Thompson talked about plans for sponsorship and operations duties for the R.C. car track.

George Dawe replied to a question from Joe Phelan by saying we have a great chance that we will have a field next year. If the correct decisions are handed down on Nov. 3<sup>rd</sup> we may be able to use the field for a good long time.

The club will be selling the three wheel electric cart on E-bay. We hope to get around \$1000.00 for it.

Board member Roger Corley, Robert Wylie, Tom Minegar and George Dawe will not be running to retain their positions in 2006. Treas-

## President's Column

President's Column  
November 2005

Well, the nominations are in and every post has at least one person running for it. This means the club will continue to move forward with good people on the stick! I think this year's Officers and Board of Directors have done a fine job keeping the club aloft with very little funds.

An Official ballot has been sent to every member of the club in a separate mailing. Either return it by mail right away or bring it to the meeting on November 17th. Since I am not running for reelection I will personally authenticate and tally each ballot during next meetings break. If your ballot is not received in the mail on the day of our next meeting it will not count. Harvey will go to our P.O. Box the afternoon of the day of our November meeting and pick up any mailed ballots. He will bring them to me, unopened!

This years Board and Officers have prepared a fiscal budget for the year 2006 to aide the next administration and making this part of the job a little easier. I will remain accessible to

the next administration if it wishes to consult with me. I think we are moving in the right direction. That said, I can not emphasize enough that the priority for the next few years should be acquiring a new flying field! I hope to continue my participation, along with Tom Minegar, (Who is also retiring), along this line of service.

This newsletter will also contain your club renewal form. Now that we have worked out our arrangement with San Diego County, I expect you all to renew with no exceptions. Remember, this year to renew with the Palomar R/C Flyer this year, you must also be an AMA member for the year 2006! No exceptions!

This year we held every event hosted in years past with the exception of the Mall Show which the Club voted down with only one member objecting! I would like to think that the rest of the events the Club membership was behind 100%. I will say it certainly seemed that way.

We did hold our Control Line Fun-Fly, which, I hope will become a yearly event. Certainly, if the interest continues, we need to fix up our Control line circle and perhaps add another one! But I will leave that to the next administration.

We also had another very successful Combat event run by Jim and

Janet Cole. I cannot thank them enough for their dedication to both the combat events and the club. As President, with approval of the Board of Directors, I have awarded both of them a free club membership for the year 2006. (Approved by the Board in September 2006)

Please remember to get your money into David Truax for the upcoming Christmas Banquet. Seating is limited so act quickly! Remember the main course includes Turkey and Roast Beef... I am getting hungry thinking about it!

Finally, I want to say that I have appreciated all the calls I have received in the last couple of weeks urging me to reconsider my retirement and run for office. Let me just say that the in next few years I will be busy supporting my daughter Vanessa in completing her education. (That means I plan to attend a lot of softball games!) But who knows? In a few years if duty calls and the club is so inclined I may seek reelection. In the meantime I want to thank you all for your support and I urge you to support and help your next President. It's not an easy job....but somebody has to do it!

On a sad note I wish to bring to the attention of the Club, the passing of Margaret Toppel, wife of fellow club member Jerry Toppel. Margaret served in WWII as a Navy gunnery instructor for aircraft gunners. She also served on the Board of the Cal State San Marcos scholarship fund. She leaves behind her husband, daughter, son and four grand children. On behalf of the club, I extend our condolences to Jerry and his family. The club has donated to the Margaret Toppel Scholarship fund in lieu of flowers. All those interested are encouraged to do the same.

Until December,  
Your President,

## Pylon Notes

By Dave Truax

### Pylon Notes November 05

On Saturday October 29<sup>th</sup> I attended the Weedwhacker Club's pylon event. It was low-key, low-stress and a lot of fun. I pitted for Ron Clem in Trainer class and for seven laps he was cruising in first place until he dead stuck for lack of fuel. You gotta refuel after the trim flight and don't stop fueling just because you see some bubbles in the fuel line. Ron regained his form in the next heat and looked to be untouchable from there on out.

I also pitted for Paul Steinberg and had even more fun. At the start signal the plane on my right turned left into Paul's lane and suffered major wing and fuse damage from Paul's prop. Paul replaced his prop and reglued his wing hold-down plate, and was ready for more action.

November 19<sup>th</sup> is our Pylon event and we'll run our usual three classes plus bring your 2610 or 2548 scale combat ship to see if we can pair them up with the Weedwhacker's AT-6 warbirds.

Call me with any questions, answers, rumors or gossip.

Dave Truax 760-747-3485

## IMPORTANT NOTICE

As noted elsewhere in this newsletter, the **DECEMBER meeting will be held in conjunction with the annual Banquet on Saturday 17th DEC.**

**So don't show up on  
Thursday 15th**

**You'll be all alone!!**

**See page 4 for more details.**

## U-Control

By Dave Truax

### U-Control Fun Fly

On October 8<sup>th</sup> the club hosted it's first U-Control Fun Fly. Sean Dea brought out a student pilot and two airplanes for a demonstration. The first plane was a Topflight ARF Flight Streak with a 36" wing-span and an O.S. LA 25. In the hands of a student it was twitchy and "right now" unstable. When Sean flew it, it became agile and aerobatic. The second plane was a Tutor II with a 48" wingspan and an O.S. LA 40. This was definitely a great plane for a student, smooth, stable and fun to fly.

Darrell Albert displayed several U-control combat, speed, mouse and rat racers.

If you want more U-control events contact a board member, get events scheduled and participate in them.

Dave Truax

# "Raid on Bougainville"

From October 22nd.

**MEETING MINUTES  
(CONTINUED FROM PAGE 1)**

urer Harvey Atkins, Secretary Dave Truax and Vice President Gary Thompson will run for their present posts in 2006. Nominations from the floor for board members were Jim Mazurak, Michael Shugamele, Jim Cole, Curtis Kitteringham, Charles Lewis and Terry Harner.

David Truax, Varley Longson, Gary Thompson and Dennis Teason turned down nominations for President. Curtis Kitteringham's nomination for board member was withdrawn and he was put up for Vice President. Jim Mazurak's nomination for board member was also withdrawn and he was resubmitted for President.

Model of the month was won by Frank Burke with a Top Flite P-47 with a Magnum .91.

He went up against David Johnson and his scratch built sport model with a Norvel .061. Frank also won tool of the month. He suggested flattening one end of a welding rod for a long shaft carb adjuster. He also presented a curved blade linoleum knife from Home Depot for trimming Monocote.

Don White won "Thumb of the Month"

Ken Dubbs was introduced as a new member this month.

**Board Meeting 26<sup>th</sup> October 2005**

Board members present:-

George Dawe Gary Thompson-  
Varley Longson Harvey Atkinson-  
Butch Abongan David Truax  
David Drowns

George told us of gate key malfunctions being reported and they will be followed up on.

County notified us of requirements of continued field use. There will be no more building, no grading, and no food sales, and fire hazards will be

cut back. Until ground is broken for a new project or the owner kicks us out, we should be good.

Next pylon event is November 19<sup>th</sup>. The holiday banquet is December 17<sup>th</sup> and gate key exchange is Saturday January 7<sup>th</sup> from 9am to noon..

Gary Thompson withdrew his nomination for Vice President to concentrate on the car track.

Meeting called to order 7:00p.m.

Adjourned at 7:51p.m.

**Important!!  
Club Elections**

**VOTE**

This month's meeting on November 17th we will hold our annual elections to put in place the leaders of our illustrious group for the coming year. Everyone should have received a ballot in the mail along with a renewal form for membership for 2006. Be sure to vote and send in your renewal with a check since the club badly needs your support at this time. We appear to have a field for the foreseeable future so that isn't an issue for right now.

Board members Roger Corley, Robert Wylie, Tom Minegar and George Dawe will not be running to retain their positions in 2006.

Treasurer Harvey Atkins and secretary Dave Truax will run to retain their positions. Nominations from the floor for board members were Jim Mazurak, Michael Shugamele, Jim Cole, Curtis Kitteringham, Charles Lewis and Terry Harner.

David Truax, Varley Longren, Gary Thompson and Dennis Teason turned down nominations for President. Curtis Kitteringham's nomination for board member was withdrawn and put up for Vice President. Jim Mazurak's was also resubmitted for President.

And that's the way we stand going into 2006. Attend the meeting and witness the outcome.
