November 29th, 2006

Hi There,

my name is Michael Diamond and I have been an active R/C flyer since 1969 (AMA 55859). I am presently building a collection of vintage R/C radios, engines and tether cars and am writing to inquire if any of your club members may have any old radios or engines that they would like to sell.

I am looking for radios, engines, and tether cars from the 1940's to 1980's and will buy 1 item or an entire collection. My contact information is as follows:
